Our Historic Inn is a cozy 26 room ‘Italianate Revival’ home and is on the National Historic Register and overlooks our upper Main Street.

With 12-foot ceilings and a Mansard style roof

that’s high enough to touch the heavens! Our enormous 200-yr old Copper Beech tree towers over our 3-story home. Relax outside in our patio, complete with a fireplace for your dining pleasure or perhaps, sitting under trees, puffing a good cigar & after-dinner drink to end the night.

An equally impressive tree is our ancient

Dwarf Japanese Maple aside our front porch. A great place for people-watching, reading the morning paper, sipping coffee, or perhaps enjoying a Viennese dessert!

A historic town located in the heart of “South Central Massachusetts”. Vienna is located in-town. Its up-town interior holds a pedestrian-oriented Main Street hosting many stores, located within walking distance. Stroll its streets & admire the beautiful early New England architecture of these buildings.

The picturesque Quinebaug River runs through town, offering great kayaking, beautiful scenic walking & bike paths, The Westville Dam has a 2-mile walking loop, a peaceful retreat picnicking or birding. Save time to tour the majestic Notre Dame church, enjoy the interesting history & breathtaking architectural regardless of your religion!
